

How can I Afford Catholic Education for my Family?

Financing Tuition at Our Lady of Grace Catholic Academy

Making the decision to send your child to our Catholic school is an important financial decision. We value the importance you put on your child's education. We understand that a Catholic Education can be a financial sacrifice for many families.

What kind of returns will your child receive from an education at Our Lady of Grace Catholic Academy?

Superior Education

- Your child will receive a superior education, as indicated by the performance of our students while they are here and when they move onto high school and college.

Dynamic Faith-Based Education

- Your child will experience a dynamic faith-based education. Your child is free and encouraged to *live* his or her faith.

Vibrant Enrichment Experiences

- Your child can participate in countless activities, from choir to basketball. GRACE students participate in extra-curricular activities that build their skills and support their social development.

Service and Character Building

- Your child will have opportunities to perform works of service for their school and community. Your child will learn in an environment that values service to and respect for others.

Excellent School Services

- You child will benefit from a safe environment with excellent faculty and staff.
- Before and after school care, study hall, tutoring, and bus service available to the EM school district.

The benefits of sending your child to GRACE are clear. Many families will need a plan on how to finance a superior education.
